Chamber Hosts State of the Community Forum and Luncheon

On March 19th, the Chamber hosted a SOLD OUT 2024 State of the Community Luncheon, with guest panelist (l-r) Brenham Mayor Atwood Kenjura, Brenham ISD Superintendent Clay Gillentine, Burton ISD Superintendent Dr. Edna Kennedy, Washington County EMS Mark Rosenbaum, County Commissioner Kirk Hanath, with the Chamber Chairman of the Board Becky Ogg as MC.

We had the opportunity to hear from each panelist about the exciting things happening in our county as well as challenges and solutions, followed by a great Q&A session. We would like to thank the Washington County Expo for the amazing facility use and set up assistance, Plants N Things for the centerpieces, and Smitty's Café and Bakery, Inc. for the delicious lunch.

Leadership Washington County Explores Agriculture

This month, participants of the Leadership Washington County class had a great educational experience learning about the thriving Agriculture Industry within Washington County. They visited different businesses including Kieke Egg Farm where participants learned about the management of egg production, the process of caring for alpacas at PEEKA RANCH, the ministry of Miracle Farm, and the role of the Washington County Agriculture - Texas A&M Agri-Life Extension office located at the Washington County Fairgrounds. Thank you to each of these business partners for sharing your industry and knowledge with us!

GET NOTICED!

The Chamber Works newsletter is published inside The Banner-Press. Chamber members have the opportunity to advertise in this newspaper. Rates start at only \$25 per month.

If you are looking for a new opportunity to advertise, just call Jane Hinz at 836-3695.

Another great way to promote your organization is through targeted emails.

The Chamber will forward your "e-message" to all members, as long as it meets certain criteria. For non-profits, it should not have a strong-sell for sponsorships or donations. The message should be newsworthy, typically about an upcoming event. For regular business, it should also be about upcoming special events, as long as there is no purchase required for the reader to experience the event. E-messages are sent a maximum of once per quarter per member during each calendar year.
